ABOUT ME

Enthusiastic BSc. Software Engineering 3rd year student at Institute of Information Technology (IIT), University of Dhaka, passionate about coding and problem-solving. Aiming to carve a niche in the tech industry, I'm dedicated to honing my skills in web development and UI/UX design. Actively engaged in learning and applying theoretical knowledge to real-world projects. Open to collaboration, eager to contribute, and excited about the journey of continuous growth in the dynamic field of software engineering.
